## PTA Groups Held Joint Meeting

County Superintendent Howell Watkins of West Palm Beach was guest speaker at a joint meeting of the Canal Point and Pahokee Parent-Teacher Associations in the Canal Point school auditorium Monday night. Introduced by Floyd Erickson, Canal Point PTA program chairman, Mr. Watkins spoke on the State Legislative program for Florida schools.

Mrs. Pope Sears presided at the business session of the Canal Point PTA. The group adopted a resolution in memoriam to the late James Bryant Cox, former Canal Point school principal, who died recently at his home in West Palm Beach. Mr. Cox, who was principal of the local school for 14 years from 1929 to 1942, assisted with the organization of the Canal Point PTA and was a leader in the Boy Scout movement in this community during his residence here.

It was announced Mrs. John S. Harrington and Mrs. Donald Kepp have been appointed troop leaders of the Canal Point Girls Scout who were scheduled to meet on Thursday afternoon of this week to reorganize for the season. Mrs. J. S. Harrington reported PTA netted \$175.56 from its Christmas card sales project.

Mrs. Arnold Scruggs, exceptional child chairman, asked for contributions of books, magazines, puzzles and similar articles suitable for the school of exceptional children. Mrs. Tillman gave a report on Canal Point Girls 4-H Club work and announced club plans to fill the 18-foot deep freeze unit at the school cafeteria with vegetables. It was also announced PTA will observe annual Founders Day at the February meetings.

Members were urged to enroll in the American Red Cross first aid instructors course being conducted at the Pahokee school for the next two weeks under the direction of Mrs. J. R. York. It was announced the Pahokee PTA will sponsor the Upthegrove Trio in a program of songs at the high school auditorium on the night of Jan. 30.

The monthly attendance award at the Canal Point school was won by Mrs. Wilma Lence's first grade room.

During the social hour which followed the meeting refreshments were served by Mrs. Dick Parrish, Mrs. Earl Maxson, Mrs. J. P. Parker and Mrs. Margie Hillier, hostesses for the Pahokee PTA, and Mrs. A. R. Harrington, Mrs. Leonard Maxson, Mrs. Bill Johnson and Mrs. Monroe Pope, hostesses for the Canal Point group.

## Letters And Awards Will Be Presented

Football letters and awards will be presented to members of the Pahokee High School Blue Devil 1950 team during the assembly period at the high school this Friday, according to an announcement made at a meeting of the Pahokee High School Letterman's Club last Friday afternoon. The group made plans for a letterman's dance. President Sidney Caruthers presided.

## Charles Sears Gives Program For Lions

Charles Sears, student member of the Canal Point Lions Club, presented a musical program at the dinner meeting of the club Monday night.

Introduced by A. R. Harrington, program chairman, Charles played several instrumental solos, accompanied at the piano by Miss Patsy Maxson. Howell Watkins, county superintendent of public instruction, and Claude Williams, principal of the Canal Point School, were guests. President Boyd Vorhees presided.

## Residence Ruined By Fire Monday Eve

The residence of Mr. and Mrs. Jack Vandegrift in the Thomas subdivision, Pahokee, was gutted by fire Monday night. The blaze, of unknown origin apparently started in one of the bedrooms and none of the family was present at the time.

The Pahokee Fire Department was able to extinguish the fire before it was able to spread to adjoining residences but the interior of the Vandegrift home and its furnishings was a complete loss, reported to be partly covered by insurance.

## SPECIAL PROGRAM

Charter members of the Pahokee Lions Club were honored in a special program at the Tuesday luncheon meeting of the club. Milton Carpenter led in the singing of songs.

## New Street Lights For City Of Pahokee

The Pahokee City Council at a meeting Monday night voted to accept a new lighting plan for new streets which at present do not have adequate lighting facilities. Approximately 30 street lights will be installed following a survey of need by Councilman J. H. Wilkinson, Jr.

It was announced Pahokee will join the city of Belle Glade and the Everglades Fire Control District in the purchase of a radio wave length control unit to keep police and fire control broadcasts within the correct channels.

The Council voted to purchase a new police car replacing the 1946 Ford now in use, bids to be announced by Clerk Clyde Alley. A \$100 donation to the Harry Anna Crippled Children's Home in Umatilla was also voted.

The bid of Jack Sharpe of West Palm Beach to clean, repair and paint the city waterworks tanks at a cost not to exceed \$5,950 was accepted at the meeting. A resolution was passed in which the city entered into a working agreement on taxes with the Pahokee Housing Authority for the proposed new Pahokee housing project.

## New Superintendent At Pahokee Hospital

The Pahokee hospital has a new superintendent in the person of T. C. (Dick) Richardson, according to an announcement by hospital board officials. Mr. Richardson succeeds I. J. Frasure, Jr., who tendered his resignation at a meeting of the board Tuesday night.

## New Traffic Bureau Will Make Monthly Reports To Co. Commission In Future

### Lytal Is Speaker At Rotary Club

Lake Lytal, immediate past chairman of the Palm Beach County Commission, was the featured speaker at the noon meeting of the Pahokee Rotary Club yesterday. Kenneth Foster, vice chairman, also spoke briefly on the harmony that exists on the board today. Commission Chairman Paul Rardin was in charge of the Rotary program and introduced the two speakers.

Mr. Lytal spoke on "County Welfare" and pointed out to the Rotarians that more than \$400,000.00 was spent last year in welfare work throughout the county. He told of the various institutions owned and operated in and by the county for the benefit of those who come under the welfare set-up. He enumerated the county home for aged, the white children's home, the colored children's home, the county hospital and the children's receiving home.

Among other things Mr. Lytal pointed out that he thought it good business for the commissioners to appear before civic groups at least once a year and give an accounting of their stewardship. This, he said, would tend to allow the taxpayer more of an opportunity to find out first hand just what becomes of his tax dollar.

The motorist is Florida's heaviest taxpayer, contributing over 50 million dollars in gasoline taxes and 19 million in license taxes annually, a total of over 69 million dollars.

## Retiring County Commission Member Congratulates New Chairman

NEWLY ELECTED Palm Beach County Commission Chairman Paul Rardin (second from right) is shown receiving congratulations from retiring member, C. Y. Byrd of Delray Beach who did not seek re-election. Between them is the new Delray member, Ben Sundy. At the extreme left is the Lake Worth member of the board—John Prince. Second from the left is Kenneth P. Foster of West Palm Beach who was elected as the new vice chairman. On the right is Lake Lytal of West Palm Beach who was succeeded by the Glades member of the board as chairman. The picture was made at the commission re-organization meeting held last week.

More publicity on the activities of the Palm Beach County Traffic Association, Inc., which is partially subsidized by the county commission, was recommended this week by Commission Chairman Paul Rardin.

Rardin's comments came at the regular meeting of the commission Monday when a number of bills incurred by the traffic group were presented for payment.

Under an agreement made by the county board several weeks ago, an appropriation of \$5,000 was made available for the traffic association, an organization formed to study freight rate structures in the county and to explore ways to procure lower rates. The appropriation is payable in 10 equal installments to the association and is expended for bills incurred by the association in connection with the rate research.

The commission chairman said he believed that in addition to the monthly statement—which this month totaled \$478—the association should also submit a monthly report on its activities.

"The people in the county should know what the organization is doing and be able to see what we are getting for our money," Rardin said.

Commissioner Kenneth Foster, who is a director of the traffic association said the organization would be happy to comply with the request for a monthly report. Rardin's request for a monthly review of the organization's activities was endorsed by the county board.

Rardin, who was named chairman of the county board last week, Monday conducted his first full meeting in his new capacity. He continued from page 1

## 36 Accidents During Past Year In County

There were 36 traffic accidents in Palm Beach County in which one person was killed and 20 injured during the month of December, according to a report released at the Florida Highway Patrol office in Pahokee by Lt. H. Lee Simmons for the State Department of Public Safety.

During the same period patrol officers made 61 arrests for traffic law violations in the county, recovered 6 stolen cars, issued 237 warnings of faulty equipment and 85 warnings of improper driving, gave assistance to 715 motorists, made 14 talks on safety education over the radio, gave examinations for driver's licenses to 628 applicants of which 461 passed and 165 failed.

The December report for the entire district, including Martin, St. Lucie, Indian River, Okeechobee and Palm Beach Counties, was as follows: Accidents, 74, with 3 persons killed and 45 injured; arrests, 135; written warnings of faulty equipment, 464; of improper driving, 148; motorists assisted, 1257; safety education radio talks, 18; driver's examinations passed, 541, failed, 212; stolen cars recovered, 6.

## New Plymouth Beautifully Styled

There are beautiful new lines in the new 1951 Plymouth cars. A new grille, redesigned front fenders and hood, and a wider windshield provide an appearance of massiveness combined with smart streamlining. The cars feature unprecedented roadability and riding quietness and numerous mechanical improvements. Lake Shore Motor Company in Pahokee is the local dealer.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Greatest interest in obtaining information on county agricultural lands "has been recorded in our office in the past several months than at any other time since the boom years," County Agricultural Agent M. U. Mounts told the County Commission Monday.

"We are receiving many requests for information on the type of soil, its productivity etc.—interest has really soared sky-high lately," he said.

In presenting a general round-up of both the agriculture and home demonstration activities for 1950, Mr. Mounts reported that "we've had a very successful year."

"For example, we made a total of 3,019 farm and home visits; office calls totaled 5,135, and we sent out 15,194 bulletins on all phases of agriculture and home demonstration."

Describing the staff's activities, Mr. Mounts said that "no one person has any specific field, H. L. Speer, Glades assistant agent, works mostly with vegetable and beef production, and John Causey, other assistant, works on the 4-H Club program and with dairy fruit, vegetable and beef production in the south section of the

county."

Miss Sara J. Horton, Home Demonstration Agent, told Commissioners that "we now have a total of 36 4-H and Home Demonstration Clubs, with an overall membership of 725 women and girls."

The county canning service program "fell short this past year, which we attribute to the many more home-freer lockers now in operation."

But she reported an increase in home food production, "and we've noted a large increase in home improvement activities this past year."

Office calls showed an increase of 600 for the year. Miss Horton and her assistant, Mrs. Mildred Michaud, also work in conjunction with 40 other various agencies.

Commissioners Kenneth P. Foster and John Prince both commended Mr. Mounts, Miss Horton and their assistants "for your grand work this year—your department is most cooperative in assisting with requests from residents and visitors alike who are interested in various agricultural activities and projects."

## Friendship—Four Thousand Miles Apart

Never quite got the hang of how to play chess myself, but I'll say this for the game—it started one of the strongest friendships I know of: between Dad Wilson in our town and a fellow in Sudbury, England.

The two of them have never met or seen each other—but for eight or nine years they've been playing chess by mail together. Dad puzzles over the Englishman's latest letter, takes a couple of days to think it over, and then airmails a chart of his next move.

Dad always thinks best with a mellow glass of beer beside his chessboard. And the fellow in England writes that he does the same. "Almost as if we were in the same room," says Dad contentedly.

From where I sit, you can talk about diplomacy and foreign policy, but it's often little friendly things—like a game of chess or a glass of beer—that can make for tolerance and understanding... between people of different nations, between folks here at home!

## Cinematic Chatter

By Malcolm Miller

It was Saturday night and Mr. M—had gone through a pretty lively day in his market. He took off his apron, put away all things that a good market man puts away at the close of the day. Checked at the cash register... and robbed it; selected a fine chicken he had been holding back, took two pounds of smoked bacon and some other meat, wrapped them in two packages to take home to the family and walked out of the market, locking the door behind him. Passing the post-office he stepped in and laid the packages on one of the writing desks while he looked in his mail box. It was then that a colored man stepped into the postoffice and asked Mr. M—if he would open the market again as there was something he wanted to get. Mr. M—, being an accommodating chap, obligingly opened the market and waited on this late customer. Then he remembered that he had walked out of the post-office and left that select chicken, the bacon and other meat, lying on the writing desk. Just as soon as he could brush the late customer off he rushed into the postoffice... The Packages Were Gone! The street was deserted... there were no clues. It is reported Mr. M—called upon three suspects the following day... One was eating roast beef... another had

pork roast and the other had side meat and greens. See you at the movies—Mal.

## Blue Devil Netters Open 1951 Season

With a record of one win and two losses to date the Pahokee Blue Devil basketball team will play their second home game of the season when they meet the Seacrest Seahawks in the local gym this Friday night, the B prelim contest scheduled to start at 7:15.

After dropping their opener on Tuesday of last week at Lake Worth the Blue Devils bounced back Friday night to defeat the Clewiston Tigers in the Pahokee gym, 54-47, with Guard Carney Wilder running up an impressive total of 23 points. In the B game the Blue Devils also won, 44-26.

On Tuesday night of this week

The Blue Devils traveled to Hialeah and both teams bowed to the Rams, the A team by a score of 38-23 and the B team, 20-16. Wilder again led the scoring of his teammates with 10 points while Al Leatherly was high man for the Rams, tossing 21 points.

## WILL STUDY CITRUS

BROOKSVILLE—The House interim citrus committee wants to meet monthly with the Florida Citrus Commission legislative committee to plan citrus legislation, Representative Travis Phillips said here this week.

The Brooksville legislator who heads the committee said he is especially interested in tangerine legislation, stating that he has received many complaints that the maturity standards are too high.

POPULATION GROWTH 46%

TELEPHONE GROWTH 167%

A good gauge of Florida progress and prosperity, and of the size of the telephone job that's been done, is a comparison of population growth with telephone growth. While the number of people in Florida was increasing 46% in ten years, according to the census, the number of telephones jumped 167%.

A large part of this telephone growth has taken place in just the last five years. During that short time Southern Bell has built \$100,000,000 of new telephone facilities in Florida...nearly doubled the number of telephones...greatly increased long distance circuits and more than tripled rural telephones.

We've spent nearly twice as much to expand Florida telephone facilities in the last five years as we had invested in the state five years ago. And we're going right on doing our best to meet the continuing heavy demand for service in town and on the farm.

SOUTHERN BELL TELEPHONE AND

Where Money to Expand and Improve Service Comes From

It doesn't come from the money you pay us for telephone service... that money goes to pay wages, taxes and other operating costs. The money to build new facilities must come from people with money to invest. That's why the future of telephone service depends on the Company's continued ability to pay for the use of the money invested in telephone facilities.

## Electric Users On Increase, Report Says

Continued favorable activity, in construction, particularly of homes, is indicated in Florida Power & Light Company's Eastern Division, comprised of the Glades, Delray Beach, Okeechobee, Stuart and West Palm Beach districts, according to the utility's latest report issued yesterday.

Figures on the connecting of new electrical services, a reliable index to the number of new buildings completed, show that Florida Power & Light Company during this past November in its Eastern Division connected 424 new customers compared to 423 during November of last year. This November's increase amounts to 32 per cent.

New residence completed accounted for most of the new connections, P. P. deMoya, district manager, said.

"These new homes are a sign of prosperity and reflect favorably on the condition of our section," deMoya stated.

"Instead of declining, as some experts predicted, building activity in our Eastern Division generally has continued at a busy pace as evidenced by the new homes and business places to which we've extended new electric services.

"During the first eleven months of this year, we made 3,045 new electric service connections. During the first eleven months of this year we made even more—3,571, to be exact, and this year's increase over last year amounts to 17 per cent!"

"To meet this anticipated increase in demand for electric service, we've installed seven large new generators since the war and we are constantly making improvements locally such as increasing the size and capacity of transformers, replacing old lines with new circuits and installing automatic equipment to increase continuity of service to our customers."

## Authority On Law To Speak To Federalists

TAMPA—Florida's advocates of a United Nations empowered to enforce peace, will bring an authority on law and government to Florida to be the speaker at the State Assembly of the United World Federalists to be held at the Hillsboro Hotel, Tampa, Saturday and Sunday, Jan. 13 and 14.

He is Henry Brandis, Jr., Dean of the University of North Carolina School of Law and former assistant to the representative of the United Nations Security Council's Committee of Good Offices to Indonesia.

Recognized as one of the best authorities on the subject of world government, Dean Brandis will address the banquet session of the Assembly at 7:00 P. M. at the Hillsboro.

A graduate himself from the North Carolina University, Dean Brandis has been teaching there since 1936. He became Dean of the Law School in 1949 after a leave of absence between 1942 and 1945 to serve with the U. S. Navy, returning to inactive duty as a Lieutenant Commander after duty at Two Jima and Okinawa. From 1947 to 1949, he served as a member of the State Commission for the Improvement of the Administration of Justice.

Active in the affairs of the Association of American Law Schools Dean Brandis is a member of the American Juridical Society, the American Law Institute and the American Association of University Professors. As a leading Federalist, he is a member of the National Executive Council of UWF.

The State Assembly will open at 2:00 P. M. under the direction of George Lewis, Lewis State Bank, Tallahassee State Chapter Chairman, with a full meeting of members from all parts of Florida to form the state program for political action in light of present world events.

## New Buick Special Is Nation's Newest Car

STYLE-LEADER and pacemaker of the 1951 Buick line is this four-door six-passenger Special, or Series 40, sedan. Representative of the entire Special Series which is completely new this year from stem to stern, this car has a new chassis, a new body, new front end, new sweepers molding, new trim, and new fender and hood ornaments. Its restyled fender lines flow backward through the doors in a graceful curve

which is paralleled and accentuated by the brilliant sweepers which runs the length of the car. The unique Buick front end, entirely re-designed for 1951, is more distinctive than ever. For the first time, Buick's powerful F-263 engine is offered in the Special Series, delivering 128 horsepower with Dynaflo Drive, and 120 horsepower with Synchro-Mesh transmission. Wheelbase of this model is 121 1/2 inches.

## News Notes From State Capital

TALLAHASSEE.—The long grind of hearing state agencies ask for more money has nearly ended for Governor Warren and his cabinet. From now through the next several weeks they will decide how much they will recommend to the April session of the legislature for each state department under their jurisdiction, then sit back and let the lawmakers work out their own destiny. This year for the first time the cabinet also heard from the state road department, game and fish commission, racing commission and citrus commission, which spend upwards of \$90,000,000 a year, but don't account to the general state fund for the money. Other agencies have asked the cabinet for \$371,000,000 for the next two years, where only \$344,000,000 is in sight. The legislature and the cabinet together will determine how much shall be appropriated, and then it will be up to the legislators to provide the money.

TALLAHASSEE.—Miller V. Joiner, Jacksonville, has been reappointed to a six-year term as a member of the state game and fresh water fish commission. One other vacancy remains to be filled on the five-man board, that of D. C. Jones, Naples, who resigned to become a member of the legislature. Others on the commission: Chairman Cecil Webb, Tampa; M. G. Lewis, Orlando; and L. G. Morris, Monticello.

TALLAHASSEE.—Broward Williams, former commander of the local American Legion post and long-time member of the state treasurer's staff, has been appointed deputy insurance commissioner in charge of fire and casualty insurance. J. Ed Larson, state treasurer and insurance commissioner, found it necessary to expand the office to meet public demands and increase amount of insurance business involving state regulation.

TALLAHASSEE.—New building estimated at \$2,318,796 has been authorized for Florida State University here, all part of a \$4,310,000 project financed by self liquidating bonds. Included in the work which has just started are five small men's dormitories or fraternity buildings, an 11-story men's dormitory and a student activities building. These will replace war-time wooden structures now used for men students at nearby Dale

Mabry field. The university hopes within a year to consolidate all its activities on the main campus, thus freeing the former air field for other uses by the city. Three other small dormitories and a large dormitory for women, included in this major program, either have been started or soon will be.

TALLAHASSEE.—Attorney General Richard W. Ervin this week gave his opinion on the following general subjects:

INSURANCE—Group life insurance contract for employees may not also include dependents of such employees.

AUTOPSY—State attorney cannot order an autopsy on a dead body, only coronor or coronor's jury.

INSANITY—County judge may find person mentally incompetent, in spite of contrary opinion by examining committee of two doctors and one layman.

LOAN—Where employee requests paycheck to be delivered to bank for deposit and deduction of loan installments as due, it is not taxable as assignment of wages.

CLERK—Employee of clerk of circuit court who serves county commission as clerk is responsible to clerk, not to commission.

TALLAHASSEE.—Question of what happened to the commission of B. P. Beville and whether his appointment was or was not submitted to the 1949 senate has cropped out, with the reappointment of the five racing commission members to new two-year terms. The governor's office says Beville's name was presented for confirmation by the senate along with those of Leo Edwards, Ralph Crum, P. O. Corbin and Roy Patience. Senate records are hazy on

the subject. In any event, all five were reappointed.

TALLAHASSEE.—This month ought to see the start of work on a new psychiatric ward at Florida State Hospital. Cabinet members finally called for bids on the \$650,000 building, when warning was sounded that the legislature wouldn't like it if they reassembled and found nothing done in two years on the construction. The building actually would be a hospital for the insane, in a hospital which has filled up through the years with a large proportion of feeble-minded and indigent old folks. There is little or no room now for the proper treatment of the insane. Half the money for the new construction would be given by the federal government.

## Festival Season To Present Attractions

ST. PETERSBURG.—Florida winter visitors seeking places to go, things to see and events to interest and entertain, will have a wide selection to choose from during January and February.

This is the Fair and Festival season in Florida and the parade of mid-inter events opens in Hillsborough county with the Festival of States from Jan. 13-20, followed by the Pirellas County Fair at Largo, Jan. 23 to 27.

Other fairs and festivals occurring during January and February include the Florida State Fair and famed Gasparilla Carnival in Tampa, Jan. 30 to Feb. 10, Florida Citrus Exposition, Winter Haven, Feb. 12-17 and Central Florida Exposition, Orlando, Feb. 19 to 24.

Filming of Theodore Pratt's thrilling Florida novel, "The Barefoot Mailman," is now in progress at Silver Springs. Ross Allen of the Reptile Institute is providing alligators and reptiles for use in the picture.

## Belle Glade Chamber Of Commerce Will Push Development Of Port And Dock

Chamber of Commerce at its last session designated the development of port and docking facilities for water freight and pleasure craft on Lake Okeechobee as its main project for the year.

The site for the proposed Port of Belle Glade recently was made available to the city through the efforts of the city commission by the Internal Improvement Board of Tallahassee.

It lies on the rip canal, a pro-

tected waterway, just inside the government dike which encloses the waters of Lake Okeechobee.

The new port will be developed next to the Torrey Island Bridge, which connects the mainland with the islands of Torrey and Big and Little Kreamer.

The organization is also putting out a four-page pamphlet as a guide to tourists in getting an overall picture of the activities of the Lake Okeechobee Everglades.

## Power Company To Spend 19 Million \$ \$

The Florida Power & Light Company expects expenditure of some \$19,000,000 as its 1951 construction program gets under way, McGregor Smith, president, revealed Saturday.

It has already spent \$89,000,000 since 1945 to more than double its system generating capability.

Key projects for 1951 include ground breaking for a big 75,000 KW plant. It will be located on the lower east coast, the exact site to be announced later. This plant will be able to supply power for approximately 75,000 additional homes.

Also scheduled this year is completion of the 33,000 KW plant at Palatka and expansion of rural and city lines, substations and related facilities.

Looking even further forward, company engineers will push preliminary work on another 75,000 KW plant, which would be completed in 1953. The location of this plant will depend on Florida's population growth.

With unbounded confidence in Florida's future, the power company predicts a population of a million for Greater Miami alone by 1960, and present expansion is planned to provide for this trend of growth.

"Unlike most types of business, we must look years into the future to provide for increased growth well ahead of time," said McGregor Smith, FP&L president.

W. Bowers of Fitzgerald, Ga., is the guest of Clarence Major, Jr. in Pahokee.

## NEW COMMISSION-CHAIRMAN RECEIVES GAVEL

At reorganization meeting of the Palm Beach County Commission Retiring Chairman, Lake Lytal (right) is shown handing the gavel over to Newly Elected Chairman Paul Rardin of Canal Point. Palm Beach county became a county in 1909 and last week marked the second time in the 42 year period that a chairman of the county governing body had been chosen from the Everglades section of the county. Back in the early days Hector Harris served as chairman from the Glades.

### Matinee To Raise Money For B. B. Suits

The Pahokee High School basketball squad will sponsor a matinee at the Prince Theatre Tuesday and Wednesday, Jan. 16-17, to raise funds toward the payment of their new uniforms. The feature picture will be "The Happy Years," a comedy starring Dean Stockwell, in technicolor. The admission price will be the same for the tickets sold by the students as the ones sold at the box office and one-half the proceeds of those sold by the students will go to the basketball boys for their uniforms.

### Billy Graham Will Speak In St. Pete

ST. PETERSBURG—Evangelist Billy Graham will speak at a mass meeting and vespers service opening the Festival of States in St. Petersburg on Sunday afternoon, January 14.

The meeting, sponsored by the United Churches of Greater St. Petersburg and the Ministerial Association, will utilize the facilities of Lang Field. Already advance preparations indicate a crowd of 20,000 with public address facilities available to accommodate an overflow crowd if needed.

With Graham in his first Florida

meeting in two years will be the evangelistic team, including Cliff Barrows, song leader; George Veverly Shea, soloist; Grady Wilson, associate evangelist; Ted Smith pianist and Jerry Beavan, executive secretary.

The United World Federalists will hold their State Assembly in Tampa, Jan. 13-14. Henry Brandis, Jr., Dean of the University of North Carolina Law School, will address their annual banquet at the Hillsboro Hotel, Saturday evening, Jan. 13.

## Christian Leader To Conduct Forum

Dr. Kirby Page, D. D., outstanding Christian leader and authority in the field of international affairs, will speak and conduct a forum at the Pahokee First Methodist Church Sunday, Jan. 14, at 3 p. m. and 7:30 p. m. The subject of his talk in the afternoon will be "How to Find Peace of Mind" and in the evening, "How to Overcome Fear and Enmity."

At 12 noon following the morning service there will be a dinner on the church lawn under the auspices of the Woman's Society of Christian Service.

### CHURCH OF CHRIST, SCIENTIST

The spiritual nature of man's dedication to God is the topic dealt with in Christian Science services next Sunday when the Lesson-Sermon is titled "SACRAMENT."

Jesus' statement, "The bread of God is he which cometh down from heaven, and giveth life unto the world" (John 6: 33) is the Golden Text.

Included in the Bible passages are these words of Christ Jesus, "Blessed are the pure in heart: for they shall see God" (Matt. 5: 8).

The readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual life and its demonstration" (p. 241).

## Miss Vera Ruth Keen Weds Murray Weeks

Miss Vera Ruth Keen, daughter of Mr. and Mrs. W. A. Keen of Pahokee, became the bride of Murray O'Neal Weeks, son of Mr. and Mrs. Inman W. Weeks, also of Pahokee, at a double ring ceremony held at 1:30 noon Sunday, Jan. 7, in the Pahokee First Baptist Church.

The vows were read by Rev. Hoke H. Shirley, pastor of the church, as the couple stood before the altar which was decorated with baskets of white gladioli against a background of potted palms.

Preceding the ceremony a program of nuptial music was presented by Miss Patsy Maxson, pianist, and soloists, Miss Patsy Elliott, who sang "Always" and Chandler McIlwain, "Because".

The bride, given in marriage by her father, wore a white gabardine suit with navy accessories and a small navy taffeta of-the-face hat with sheer veil. She carried a white prayer book centered with a white orchid with white satin streamers.

Bridesmaids were Miss Patsy Geiger of Canal Point and Miss Clara Baxter of Miami. Miss Geiger wore a pink suit with black accessories and a white carnation corsage while Miss Baxter was in an aqua suit with black accessories and her corsage was also of white carnations.

Richard Mole, cousin of the bridegroom, was best man. David Ramey and George Belk, Jr., were ushers.

The mother of the bride chose a pink gabardine suit with black accessories and a purple orchid corsage and the mother of the bridegroom, a beige dress with matching accessories and an orchid corsage.

Following the ceremony Mr. and

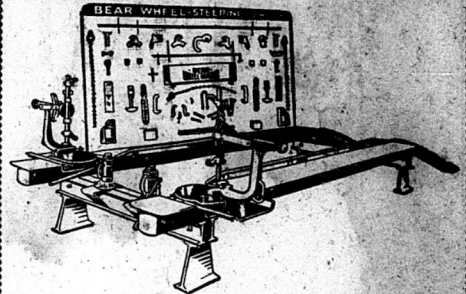

Mrs. Keen were hosts at the Travelers Restaurant at a luncheon for the wedding party, members of the two families and out-of-town guests.

After a wedding trip, within the State Mr. and Mrs. Weeks will make their home in Pahokee where he is associated with his father in The Weeks Company which deals in cattle raising and farming.

## CANAL POINT INVENTOR MAKES NEW SKIRT MARKER

Dora Sewell of Canal Point, as inventor an electrically operated skirt marker use of which eliminates using pins or basting threads, according to a Miami trade publication. Heating element on the bottom of the blade makes a crease in the fabric when pressure is applied, reportedly completing a skirt marking in three or four minutes. The trade publication tells of plans the inventor has for the manufacture and sale of the device. Patent has been applied for and the invention is said to give promise of yielding Miss Sewell handsome profits.

## Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

# WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okeechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

Here In Our Newspaper  
Office We've Spent .....

## 25 Years Doing One Thing Well

Each week for more than a quarter of a century this Newspaper has reached its readers each Friday morning with full and complete news coverage of the Lake Okeechobee Farm Area. Bringing out The Everglades News each week—on schedule—has grown to be a habit with those of us who produce it. Not once during the 25 years of its existence, has this newspaper missed a publication day. Through floods, hurricanes and other adverse antics of nature we have managed to make the deadline. It has been no small accomplishment.

## New Traffic Bureau—

(continued on page 8)  
steered the commission through a lengthy agenda in record time. Actions by the board included:

Approval of a \$1,500 expenditure to help finance rehabilitation of a section of the Ocean Boulevard near the Lake Worth Casino. Granted authorization to Commissioner John Prince to proceed with procurement of right-of-way for another section of State Road A1A between Lantana and Lake Worth—a new road that is being built along the shores of Lake Worth.

Authorized J. M. Boyd, county engineer; Harry Johnston, county attorney and R. B. McKee, assistant auditor plus whatever members of the commission that can make the trip, to attend a budget hearing on Jan. 15 at Tallahassee before the State Road Department.

Referred to the county attorney a proposed legislative act which would permit establishment of sanitary districts throughout the county.

Approved several right-of-way settlements for the Indiantown Road and authorized procurement of right-of-way for a one-mile stretch of road near Juno Beach.

Accepted bids on the monthly grocery order; two new passenger cars; two electric typewriters; a supply of chemicals for the Mosquito Control District. The bids were referred to department heads affected by the purchase and to the county engineer.

The board also approved extension of several leases on buildings at International Airport for one year.

The commission was advised that construction of a new county barn in the Everglades had been completed; that construction of a comfort station at Riviera Beach Memorial Park had been finished; that work had begun on a utility building at a county beach at Jupiter and that a new photostat machine was being installed in the Circuit Clerk's office.

## Former Missionaries To Speak In Pahokee

Dr. and Mrs. George Green, former missionaries to Africa, will be guest speakers at a general meeting of the Pahokee First Baptist Woman's Missionary Union in the church Monday, Jan. 15, at 3:30 p. m.

Dr. and Mrs. Green will display native costumes and give talks of their work in Africa. All Pahokee WMU auxiliary members and members of the Canal Point WMU are invited to attend this meeting which will be followed by a tea honoring the guest speakers. Mrs. H. L. Speer, Pahokee WMU president, will preside.

While in Pahokee Dr. and Mrs. Green will be the house guests of Rev. and Mrs. Hoke H. Shirley.

## B. Elliott Says State Budget Group Will Ask For Increases

WEST PALM BEACH—House Speaker designate Rep. B. Elliott of Pahokee stated that he has unofficial word that the State Budget Commission will ask for \$360,000,000 when the legislature convenes in April.

He added, "I understand the original figure for the 1951-1952 budget was \$400,000,000.

Elliott was a member of the "economy bloc" last session and opposed budget increases. He said the Budget Commission asked for \$217,000,000 for 1949-1950 and actually received an increase to \$240,000,000. He said the state is in the same fix as other business in that it needs more money and doesn't know where it is coming from.

## Mrs. Buchanan Given WSCS Membership

Members of the Canal Point Methodist Woman's Society of Christian Service honored their president, Mrs. W. K. Buchanan, by presenting her with a WSCS life membership at the January meeting held Tuesday afternoon at the home of Mrs. A. R. Harrington. Mrs. Earl Maxson made the presentation in behalf of the group.

Mrs. C. L. Stuart presented this program, "What is That in Thine Hand?" She was assisted by Mrs. Boyd Vorhees, Mrs. J. P. Parker and Mrs. Buchanan.

At the brief business session following the program Mrs. A. R. Harrington was named Christian social relations chairman to fill the vacancy left by the resignation of Mrs. F. W. Cross.

## Five Circles Will Meet Next Monday

The five circles of the Pahokee First Methodist Woman's Society of Christian Service will meet Monday, Jan. 15, as follows:

Mary Martha Circle, home of Mrs. L. J. Fraser, with Mrs. John E. Wilson, co-hostess, and Mrs. Graham in charge of the program. "Peace in Our Times," 8 p. m.; Gertrude Shirley Circle, home of Mrs. Lloyd Hundley, with Mrs. John T. Pickett, co-hostess, 8 p. m.; Miriam Circle, home of Mrs. Eva Spooner, with Mrs. Alice Spooner, co-hostess, 8 p. m.; Mabel Simonson and Margery Lair Circles, joint meeting at the church, 3 p. m.

## Sweetheart Dance Scheduled For Feb. 9

The Pahokee Chapter, Future Farmers of America, has announced plans for its annual FFA Sweetheart Dance which will be held in the Elks Hall on Friday, Feb. 9, from 8 p. m. until 12.

The Elks Hall will be decorated in rural style to resemble a large barn and there will be string music for the barn dances. As usual this year's chapter sweetheart will be chosen by popular vote at a penny a vote, with each of the high school classes to enter a candidate.

## Two New Members Welcomed In Circle

Mrs. J. J. Sowder and Mrs. M. Crady were welcomed as new members of the Lucy Jones Circle, First Baptist WMU, at a meeting at the home of Mrs. C. A. Batchelor Monday afternoon.

Mrs. W. H. Rogers presented the program, "Ye Are My Witness." She was assisted by Mrs. Radford Wright, Mrs. Robert Lampi, Mrs. L. G. Alderman and Mrs. Vera Summerlain. Mrs. Lampi, chairman, presided at the brief business session. Mrs. H. L. Speer, Mrs. Paul Watson and Mrs. R. L. Parker were visitors.

Following the meeting the group honored Mrs. W. H. Kemp with a surprise stork shower. Refreshments were served to 19.

## Grace Jernigan Circle Met Last Tuesday

The Grace Jernigan Circle of the Pahokee Baptist Church met at the home of Mrs. Robert S. Douthett Tuesday afternoon for a business meeting. "God is moving, who can hinder," was the theme of the program presented by Mrs. Douthett, program chairman. Mrs. Frank Thompson gave the devotional.

Talks were made on the following subjects: "I Chose You," Mrs. W. A. Keen; "Looking at Today's World," Mrs. Bob Henderson; "God's Story in History," Mrs. Hoes Barnes; "God Always Directs Me," Mrs. H. L. Speer; "God revealed unto Israel," Mrs. Wiley Tillis; "God Invites Our Cooperation," Mrs. W. M. DuBose; "We Know the Way," Mrs. Herman Kautz; "We Must Work with God," Mrs. Tom Baldwin.

Mrs. Frank Thompson conducted a short business meeting. Mrs. W. A. Keen was elected advisor. Mrs. Herman Kautz was placed on the kitchen committee and Mrs. Bob Henderson on the children's home committee. Plans were also made for a tea to honor Rev. and Mrs. George Green, missionaries, at the church at three o'clock Monday afternoon.

Fourteen members were present. Mrs. Ellsworth Keen was welcomed as a new member. The next meeting on Feb. 13 will be held at the home of Mrs. W. M. DuBose.

## Revival Services At Pahokee Nazarene

Rev. P. P. Belew of Rochester, N. Y., is conducting a two weeks' revival at the Church of the Nazarene in Pahokee. The revival started on Sunday, Jan. 7 and will end on Jan. 21, with services each evening starting at 7:30 p. m.

## Grounds At Woman's Club To Be Beautified

At a luncheon meeting of the Pahokee Woman's Club Tuesday Mrs. Frank Friend, landscaping chairman, outlined plans for improving the appearance of the clubhouse lawn. Several loads of muck will be hauled in to form beds for ornamental shrubs and flowers and a flowering tree will be planted with ceremonies on Arbor Day, Jan. 19. Mrs. Friend also reported the painting of the clubhouse exterior has been completed.

Mrs. James Vandegrift was voted a new member and Mrs. Vera Summerlin and Mrs. Robert Appelgren were inducted into the membership of the club, with Mrs. V. L. Geiger, president, in charge.

Plans were made for a bake sale in front of the clubhouse postoffice Saturday, Jan. 14, at 10 a. m. The committee in charge includes Mrs. Frances Rogers, Mrs. Norman Sam McKinstry, Mrs. Norman Kennedy and Mrs. Geiger.

A resolution was passed asking

the Pahokee Housing Authority to employ local contractors and labor on the new housing project.

It was announced a County Federation meeting will be held at the Belle Glade Community house on Jan. 17, starting at 10:30 a. m. Reservations for the luncheon are to be made with Mrs. Geiger by Jan. 12.

Mrs. B. Elliott, legislative chairman, will be in charge of the program at the next club meeting on Jan. 23.

## All Garden Groups To Meet In Pahokee

A general meeting of the member clubs of the Pahokee-Canal Point Garden Club will be held at the Pahokee city park Tuesday, Jan. 16, starting at 10 a. m. with Mrs. H. M. McIntosh, club president, in charge.

The club will observe Arbor Day with the planting of trees in the park. Members are asked to bring sandwiches for a picnic lunch at noon.
